

## **Earl Haig passes away aged 91**

Poppyscotland is extremely sad to hear of the passing of Earl Haig, the son of our founder, Field Marshal Haig, who died today (Friday 10 July) at his home in Bemersyde, aged 91.

Earl Haig's dedication to the ex-Service community over the years, in particular to those organisations founded by his father, was outstanding. He always took a very keen interest in the work of Poppyscotland and we have been very fortunate to have had his support. Our deepest sympathy goes to Lady Haig and the family.
