

Volunteer Community Fundraiser

Do you have a passion to help others and make a difference in your community?

We're looking for positive, sociable people to work with us to deliver fundraising events in your local area. Every penny you raise will help us provide life-changing support for our Armed Forces community.

It's a really flexible opportunity – volunteer on your terms, giving as much or as little time as you can spare. From a poppy tea party or a virtual quiz to a dinner dance, the only limiting factor is your imagination!

Your role will include:

- Coming up with fun ways to raise money for Poppyscotland in your local community.
- Encouraging other people to help you along the way. Why not get your friends and family involved?
- Promoting your event(s) with the help of our friendly fundraising team.

About you

- Passion to help others and make a difference in the community.
- Ability to be a team player and group leader.
- Positive and reliable.
- Sociable and with good local community links.

Benefits for you

- You'll get to meet new people, make new friends and have fun.
- You can build your existing skills and develop new ones.
- You'll help make a real difference to people's lives.
- We'll give you a full induction and match you up with one of our fundraising team who will guide you every step of the way.
- Reasonable out of pocket expenses will be re-imbursed by Poppyscotland.
- You'll be invited to our annual volunteer Gathering.
