

Poppyscotland Volunteer Awards

About the awards

People who currently volunteer for Poppyscotland are eligible for awards.

Our volunteers are the lifeblood of Poppyscotland. Their support collecting for the Scottish Poppy Appeal means we can make a life-changing difference to our Armed Forces community.

Corporate organisations, schools and other groups that show consistent support for Poppyscotland over a number of years will also be able to receive a Certificate of Appreciation.

How to order

The awards proposer, who is normally a Scottish Poppy Appeal Area Organiser, should complete the details of the individual or group being nominated for an award on the form overleaf. Due to the volume of requests received we only process volunteer awards once a year. Forms should be returned by the 25 July and awards will be sent out in September of that year directly to volunteers.

Please do not apply for more than one award per person at a time. Volunteers will not automatically receive a badge when they reach their next milestone, a new nomination for each badge must be made. Area Organisers can nominate themselves for an award.
